

Baleen™ polyp trap

listening...and delivering solutions®

Easy-to-use, cost effective solution...

The Baleen™ polyp trap features a compact design to help minimize storage space and is an economical alternative to other polyp trap solutions.

The Baleen™ polyp trap...

- easily attaches to suction tubing to act as an in-line filter collecting the specimen
- offers a sturdy, durable netting material that helps to resist tearing

Baleen™ polyp trap inserted into suction tubing.

Baleen™ polyp trap in place and ready for use.

Specimen collected in netting of Baleen™ polyp trap.

For more information on the Baleen™ polyp trap, contact US Endoscopy today.
