

# VIA® procedure kits

Now featuring the BioGuard® air/water cleaning adapter - Olympus

## NEW VIA® procedure kit options...

STERIS | US Endoscopy is proud to expand our VIA® procedure kit portfolio to include two new configurations featuring our newest infection prevention product – the single-use BioGuard® air/water cleaning adapter – Olympus designed to flush the air/water channel during the bedside pre-cleaning process.

For more information on the full line of VIA® procedure kits, contact US Endoscopy today or visit [www.usendoscopy.com/procedurekits](http://www.usendoscopy.com/procedurekits)
